

## Ashburton Student School Supply List 2016-2017

Students are encouraged to bring the following individual organizational tools and personal supplies to school. School supplies should be brought in the first week of school and replaced throughout the year.

### School Planners:

Our school provides a student planner for student purchase for grades 3-5. This planner is not graded nor used as a hall pass, but it is used to help your child track his/her assignments and to let parents know of assignments that are due. While this is a voluntary purchase, we strongly believe a student planner is a valuable organizational tool to help you and your child monitor completion of assigned tasks. Ashburton's school planners will be sold during the first week of school; it is recommended that each child purchase one from the teacher. Approximate cost \$3.00.

**All students will have access to materials required for the instructional program, regardless of a student's ability to pay. Please consult the child's teacher or our school counselor if your child needs supplies at school or for use at home.**
