

# & Ashburton Elementary School Present The Annual Winter Play Workshop 2017-18

## THE KNIGHTS OF THE RAD TABLE

Gwen's spending her Saturday reading a book and Artie's riding around on a skateboard. Just typical American teenagers... until Merlin wakes up from a 1500 year snooze to whisk them away to the days of chivalry! In this fanciful farce about the legend of King Arthur, Artie is majestically crowned king and Gwen meets the "to-die-for" Lancelot and the "Knights of the Rectangular Table." When Artie is kidnapped by the wicked Morgan La Fey, the newly-crowned king's bumbling (but loyal!) knights embark on a quest to save him. On their mission, they encounter a tea-drinking dragon, a dangerous bevy of fair maidens and the Black Knight!

### Annual Play Workshop for Grades 4 and 5

**Have a budding theatrical star?  
This is an amazing opportunity to bring  
out his/her inner actor!**

Students work with professional theatre artists in a warm/safe school environment - a great way to expose your child to the wonders of theatre without having to drive there! Make friends, create memories, gain confidence and have a blast through this performance opportunity.

Let a professional Director from Adventure Theatre MTC guide your 4th or 5th grader in a theatrical experience that they will remember for the rest of their lives! The workshop explores the concepts of teamwork, stagecraft, auditioning and acting, culminating in a professional play production that will be performed for the entire school, family and friends!

This program is only open to Ashburton ES students in grades 4-5.

The cost is \$400 for the entire play production workshop!
